```
Error using reshape
```

```
Number of elements must not change. Use [] as one of the size inputs to automatically calculate the appropriate size for that dimension.
```

```
Error in loadProjectionData (line 145)
```

```
    A = reshape(A, ySize, xSize);
```

```
Error in gate_CT_main (line 100)
```

```
    options.SinM = loadProjectionData('single', [options.xSize options.ySize options.nProjections], options.binning, [], true, false, options.name);
```
